

## Recruitment Notification

### **Position: Deputy General Manager / Senior Manager – Finance**

We invite applications from highly accomplished and experienced finance professionals for the position of **Deputy General Manager / Senior Manager – Finance**. This role is ideal for a dynamic **Chartered Accountant (CA)** with strong expertise across core accounting, financial management and taxation functions within a technology-enabled environment

### **Key Responsibilities**

The selected candidate will be responsible for overseeing and managing the complete spectrum of accounting and finance operations, including but not limited to:

- **Finalization of Accounts & Financial Statements**  
Preparation and finalisation of monthly, quarterly and annual financial statements, including Balance Sheet, Profit & Loss Account and Cash Flow Statements in compliance with applicable accounting standards.
- **Direct Taxation**  
Handling all aspects of Income Tax and Corporate Tax, including tax planning, return filing, assessments and ensuring compliance with statutory regulations.
- **Indirect Taxation**  
Managing GST compliance, including return filings, reconciliations, audits and advisory on GST matters.
- **Financial Reporting & Analysis**  
Providing accurate and timely financial reports, MIS, variance analysis and actionable insights for management decision-making.
- **Budgeting & Forecasting**  
Preparation, monitoring and control of budgets, along with financial forecasting and cost analysis.
- **Audit & Compliance**  
Coordinating with internal and external auditors, ensuring adherence to statutory requirements and maintaining robust internal controls.
- **Cash Flow & Treasury Management**  
Monitoring cash flow, fund management and banking relationships.
- **Team Leadership**  
Leading and mentoring the finance and accounts team to ensure efficient operations and professional development.

### **Eligibility Criteria**

- Qualified Chartered Accountant (CA) (mandatory)
- Minimum 8–10 years of relevant experience in accounting and finance functions
- Strong knowledge of accounting standards, taxation laws and regulatory frameworks
- Proficiency in ERP systems and MS Excel
